Dear OCP staff & composers,

It is with great pleasure that I announce the hiring of Wade Wisler as our new Publisher/CEO. Wade's first day in his new position will be April 24, 2017.

Wade has been on staff at OCP for the past 17 years, starting in the shipping department. In 2001, he was hired into the marketing department as a copywriter/editor. From 2008 to 2015, he served in the role of Manager of Worship Publications. After that, he acted as the Assistant to the Publisher for close to two years. His current position is Director of Music Development and Outreach.

Wade brings a wealth of talent and experience to this important position. I know that he is the ideal person to bring his experience, his commitment to the Church, and his deep and abiding faith to lead OCP into this next era.

I am very excited to have Wade become the new Publisher/CEO. Please join me in congratulating and supporting him in this transition.

Sincerely yours in Christ,

Most Rev. Alexander K. Sample  
President & Publisher-in-Chief
