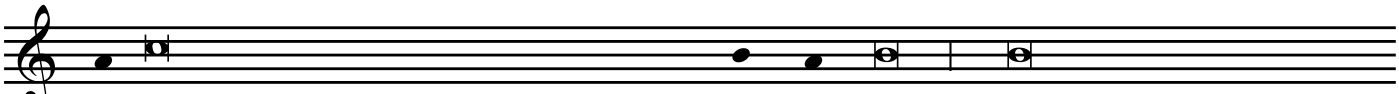
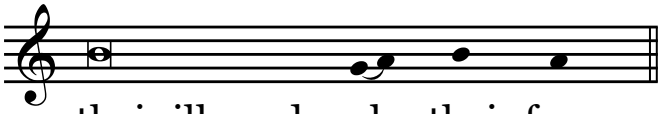
IX-b. **In this time of pandemic**

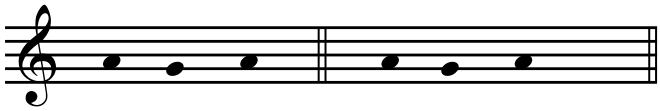
Deacon or lay minister:



Let us pray for those afflicted with CO-VID-19, that God will heal

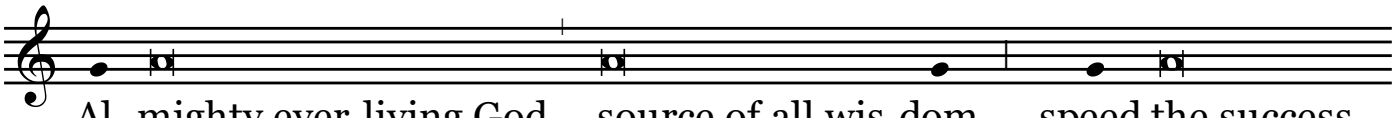


their ills and calm their fears.

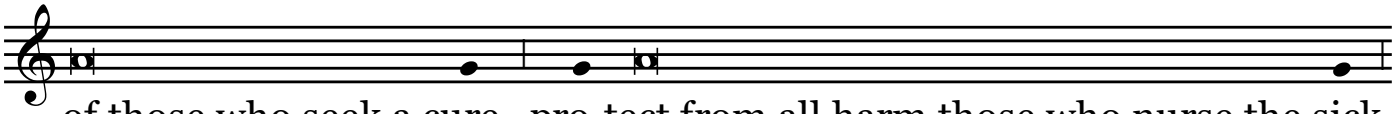


[Let us kneel. Let us stand.]

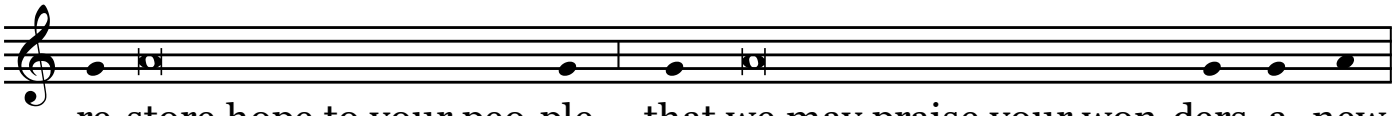
Priest:



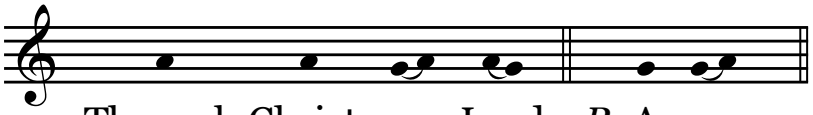
Al- mighty ever-living God, source of all wis-dom, speed the success



of those who seek a cure, pro-tect from all harm those who nurse the sick,



re-store hope to your peo-ple, that we may praise your won-ders a- new.



Through Christ our Lord. *R*. A-men.
